May 2024

SOFTWARE DEVELOPMENT EXPERIENCE/PROJECTS

[\[https://github.com/AdnanA2\]](https://github.com/AdnanA2)

We Can Code IT

Columbus, Ohio

Software Development Student

April 2022

Virtual Pet Shelter: Designed a console application that lets users create and interact with their virtual pets.

Java, IntelliJ, Git, Github, GitBash, TDD, OOP

Workout Builder: Designed console application that lets users build and customize their personal workouts.

Java, IntelliJ, Git, Github, GitBash, TDD, OOP

Arrays and Loops: Utilized knowledge of C# to solve various puzzles with array and loop methods.

Java, IntelliJ, Git, Github, GitBash, TDD, OOP

WORK EXPERIENCE

CarMax

Columbus, Ohio

Inventory Associate

December 2019-November 2020

- Standardized the cosmetic inspections of vehicles/repairs that needed to be made.
- Followed, promoted, and maintained the high standards of CarMax.
- Position consisted of repairing and replacing small parts of vehicles to keep them in good condition. Performed paint touching, waxing, and buffing to make the car as presentable as possible for the customers.
- Cooperate with coworkers to assist each other on big projects.
- This work helped me gain a tenacious and resilient mindset. Also gave me insight into working as a team to help one another.

G4S/Allied

New Albany, Ohio

Security officer

May 2021-current

- Trained to react to specific crises effectively and efficiently when waiting for emergency services is not an option.
- Monitored a complex CCTV system to ensure the overall well-being of the clients/visitors.
- Provide safety and assistance to the clients and visitors professionally and appropriately.
